Re: Final Year Announcement Period ended 30th June 2008

It is extremely pleasing to once again be able to report record Revenue and Profits for the year. This resulted in earnings per share of 21.97 cents (last year 18.28 cents); our highest since listing in 1999.

Operating profit after tax increased by 20.2% to \$7.030 million, again a strong increase on the \$5.849 million last year. Operating profit before tax increased by 20.1%, to \$10.069 million on last year's \$8.381 million.

Group operating revenue of \$118.756 million increased by 4.9% on last year's figure of \$113.183 million.

At year end Wridgways continued to be debt free with Cash at Bank of \$8.846 million.

The ongoing strength of the Australian economy, in particular the resources sector in Western Australia and Queensland, continued to underpin demand for relocation services in both the domestic and international markets.
