Dear Sir

Re: Half Year Announcement Period ended 31 December 2003

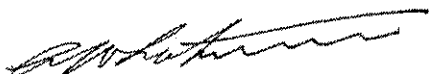

The Company announces an Operating profit after tax for the first half of \$1.265 million a 11.3% increase on last year's figure of \$1.137 million. The Operating profit before tax of \$1.832 million exceeded last year's figure of \$1.661 million by 10.2%.

Revenue from ordinary activities of \$38.027 million was 12.1% above last year's figure of \$33.913 million.

The Directors have agreed to declare an increased fully franked interim Dividend of 2.0cents per share (last year 1.5cents per share) amounting to \$640,000. This Dividend will be payable on the 19th March, 2004 to Shareholders registered as such on the 12th March, 2004.

Wridgways has performed remarkably well in an environment that has seen a global downturn in relocation activities over the past two years. Our unique and diverse range of products and services, delivered with outstanding quality and performance, has driven customer loyalty and long term Corporate partnerships. The Company is now in an excellent position to further benefit from the eventual upturn in global relocation activity.

Yours faithfully

A.W.Whatmore
Chairman
